CHERAL CATHARTIC PECTORAL. MILL CURE

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and mors—purify the blood, and let the fluids move on unob-structed in health again. They stimulate the functions of the body into vigorous ac-tivity, purify the system from the obstructions which make

AYER'S

disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, structs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured body, they are rapidly, and many of them surely, cared by the same means. None who know the victors of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public per-

From a Bernarding Merchant of St. Louis, P.b. 4, 1856. Dr. Aver: Your Pills are the paragon of all that is great in medicine. They have coned not find that for ulcerous seres upon her hands and fe t that had proved incurable for years. Her mether has been hone graveously afflicted with blotches and plaud stein her skin a at in her hair. After our child was circul she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. F. W. Certwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR BRO. AVER: I cannot answer you what complaints I have cured with your Pills better than to say all that us ever treat with a pargutive medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

DR. J. C. ATER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleans at once.

Yours with great respect, ED. W. PREDLE, Clerk of Steamer Clurion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York Cty. Not only are your Pills admirably adupted to their purpose as an aperiont, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR. DIPARTMENT OF THE INTERIOR. Washington, D. C., 7th Feb., 1856. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have schoom found a case of billous discuss so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhon, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhess. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood. From Lev. J. V Himes, Paster of Advent Church, Boston. DR. AYER: I have used your Pills with extraordinary success in my family and among those I am calle I to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Constipution, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Matreel, Canada, Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse.
